Hello and welcome to the ageing forum! This is a thread to check in and say hi, and let the other folks lurking around on the forum know you're here!

So to kick things off: Hi, it's Nikki from the NWFSC-PSMFC lab in Oregon. i'm also the one to pester if you're having issues with the forum. :)

Hi! I'm Sandy Sutherland, at NEFSC in Woods Hole. Just pulled out my IOS booklet from last August, and found the site.

I like the CARE ageing manual, and maybe I can pick up a few useful ideas for my lab!
