From Shayne:

Hi all,

Still no word yet as to where we will be meeting next week and probably won't know till late Sunday.

In the case of a Federal shut down, attached is a set of directions to help you find your way to the IPHC that starts off from the Silver Cloud Inn. Not all out of towners are staying at the Silver Cloud, but I understand everyone is in the University District. Steve W. says that it is a 20 minute drive from the hotel to IPHC. For those attending Monday, Steve has volunteered to come to the Silver Cloud to drive/guide those to the IPHC at around 8:15am.

I will be arriving at the Silver Cloud around 4pm Sunday and can be reached there.

(I'm not attaching the actual pdf right now because it has a personal phone number in it)
